*Informing 'Use Maps' with User Activities on the Water*

Thursday, June 13<sup>th</sup>, 2013  
5 - 7pm, Warwick Public Library

Please join team members of the Rhode Island Shellfish Management Plan (SMP) during the Warwick Public Library's Second Annual Quahoggers Jamboree. The SMP team will have an informal display of user maps. These maps were created in coordination with stakeholders through a series of public meetings over the past several months with the goal of illustrating the many different uses of our bays and ponds to minimize user conflict. Here's your chance to view these maps, suggest changes or additions, and guide the next phase of the effort.

**WHEN:** Thursday, June 13<sup>th</sup>, 5pm-7pm (Open house--please drop in at any time!)

**WHERE:** Warwick Public Library, Small Meeting Room
